

TIMELINE

VISA APPLICATION PROCESS & PROCEDURES

1 ACCEPTANCE

Embark on the journey by completing the Acceptance Form and securing your spot by paying your Acceptance Deposit. Our admissions team will then introduce you to the Visa Department at Inspired Learning Group. Our Visa Department will acknowledge the introduction email and introduce you to our Legal Representatives, ECA Legal.

2 INFORMATION GATHERING

ECA Legal will request the required information and documents from you, to assess the viability of the intended application, based on the individual circumstances of the child and their parents.

3 VISA APPLICATION

Upon successful verification of your information and documents for compliance by ECA Legal, a legal fee of £950 is required to be remitted to proceed with the application process.

However, we are pleased to offer a **special incentive:** should you choose to pay the full year's fees in advance (covering three terms), Inspired Learning Group will absorb the £950 legal fee on your behalf.

4 FINAL STAGES OF THE APPLICATION

Inspired Learning Group will create a CAS statement and send it directly to ECA Legal. Once all payments including visa application fees, documents, and information are compliant, ECA Legal will submit your visa application with expertise to ensure success and compliance.

5 SUBMIT

ECA Legal will meticulously review and submit all your documents and information on your behalf.

Inspired Learning Group and ECA Legal: Your partners in paving the way for a bright educational future.
